DOWNHILL SKIING AT ALPINE VALLEY RESORT

Because of this, our ski hill provides diverse terrain for beginner ease, challenging expert runs and a full featured Terrain Park. Alpine can move more people faster and more efficiently than any other area in the Midwest.

Tiny Timbers keeps little ones busy with swings, slides and a waterfall, while Timber Rapids and Avalanche Falls are only for the brave. Enjoy basketball hoops in the activity pool, ride in the lazy Canyon River or soak in the hot tub, definitely something for everyone here. Make it a day trip or stay overnight in their roomy suites that feature kitchens and fireplaces.

BATTLEFIELD LIVE WISCONSIN

Get your group's blood pumping with a laser tag match! Perfect for groups of six or more, laser tag is a painless version of paintball, using only lasers to play. The game is pain free, has no projectiles, requires no safety gear and can be played inside or out.

GYPSY AIR TOURS

Step back in time and hold on to your seat with an exhilarating ride in an open cockpit biplane. Feel the air and touch the sky as the pristine yellow wings frame the scenery of the lake region. Soar through the skies in a 1930 WACO Taperwing that seats two passengers at a time.
