

LAKE GENEVA AREA

• NATURE CALLS •

Nature is calling you out to play in Walworth County. Our garden tours will take your group through a variety of stunningly beautiful gardens and natural attractions.

NORTHWIND PERENNIAL FARM

Northwind Perennial Farm offers several beautifully landscaped gardens for your group to meander through. Groups can partake in pre-arranged workshops or demonstrations with Northwind's expert staff, find unique gifts and home decor inside their antique barn, and peruse plants to buy.

URIEL PHARMACY

A garden tour at Uriel Pharmacy in East Troy is must-see stop. Walk through their medicinal herb gardens, with a guide, followed by a look at the production barn and a brief talk in the Potenziating Lab. The tour wraps up with time to sample Uriel's natural homeopathic remedies.

CONGDON GARDENS

Located on the outskirts of Delavan, WI, the ever changing flowers, shrubs and trees of Congdon Gardens surround a serene pond often inhabited by water fowl. It is a perfectly relaxing and inviting stop to stretch your legs on the walking path or relax on a bench and soak up all that nature has to offer.

PESCHE'S GREENHOUSE

Conveniently located between two major tourist towns Pesche's is a gardener's paradise. Pesche's features 20 greenhouses and a stunning array of perennials and annuals. They also offer group demonstrations, hold fairy garden demos, and have a stunning century-old barn full of unique treasures and souvenirs.

GENEVA LAKE SHORE PATH

For those looking to explore further, take a walk along the Geneva Lake Shore Path. This 21-mile path is the only one of its kind! It wraps around the entire Geneva Lake, cutting through the lusciously landscaped yards of Lake Geneva's historic mansions. Not up for the entire 21 miles? There are several spots where you can enjoy just a small portion of the path and enjoy spectacular shoreline views as well as a glimpse at luxurious lakeside living.

STOP AND SMELL THE ROSES

This stunning rose garden has become a quiet gateway for visitors to "Stop and Smell the Roses." Drawing over 1700 visitors each summer, there are 14 raised beds among the trellises, along with a pond with a waterfall and bridge, and a gazebo. Ample parking, restrooms and the nicest host you will ever meet, make this one of Walworth County's best kept secrets for the group visitor.

MICHEAL FIELDS AGRICULTURAL INSTITUTE

Michael Fields Agricultural Institute offers workshops, talks, field days, conferences, movie showings, seed swaps, and other educational, thought provoking and conversation starting group opportunities. Whether you are a farmer, gardener, conservationist, environmentalist, foodie and/or activist you will find something to interest you at Michael Fields.
