## EAST TROY

"All Aboard" for a memorable journey at the **East Troy Electric Railroad & Museum**. In the days before automobiles, paved roads and highway congestion, trolleys took people everywhere they needed to go. These trolleys were not the rubber-tired trolley-busses we see today, but electric trolleys that ran over railroad tracks laid right in the middle of city streets. While these trolleys have nearly disappeared from the American urban scene, the East Troy Electric Railroad Museum preserves this unique part of 19th and 20th Century history for all to learn from, experience and enjoy. Rides to The Elegant Farmer and Dinner Trains, Museum, Gift Shop, and Coffee Shop.

At **The Elegant Farmer** you will find all the goodness of homemade, fresh picked and delicious offerings in their Farm Kitchen Bakery, Deli & Market. Home of the award-winning **Apple Pie Baked in a Paper Bag**<sup>®</sup>, The Elegant Farmer is noted by *Gourmet* and the *Wall Street Journal* as having "the best pie in America."
